## Exalted Ruler, Karen Seaman

September: A Month Full of Purpose and Possibility  
Welcome to September, a traditionally busy and exciting month, especially for our Esteemed Loyal Knight and Veterans Committee Chair, Tyler Vanwey, who also serves actively in the U.S. Navy.

This month is packed with meaningful events, including:

- Firefighter Appreciation
  - MIA/POW Remembrance Ceremony
  - The Fair (supporting our Children's Christmas Shopping Spree on September 13th)
  - Fun Bingos, Family Bingos, Kids' Movie Nights
  - Honor Flight Training
- ...and so much more!

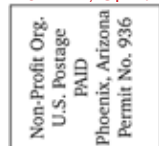

We invite you to visit the Lodge often and become part of the camaraderie that makes our Elks family so special. When many of us were initiated, we shared a common goal: to serve our community. Now is the perfect time to turn that intention into action.

Our Lodge needs you. Whether you can spare a few hours a month or just a helping hand here and there, your time and talents are truly valued. As the saying goes:

"Use what talents you possess—the woods would be very silent if no birds sang except those that sang best."

Stay informed by checking your Flash, your Tracks, and the Lodge TV monitors so you don't miss out on any of the exciting happenings. Come often, we love your presence, and we need your participation.

Articles and Photo Submissions for Next Month's Edition via the QR Code or email 335elkstracks@gmail.com. Deadline for submissions to Tracks is the 10th of each month by 5pm.

## Esteemed Leading Knight, Clint Tompkins

As September cools down we will have the "Phoenix Elks Fun Fair" chaired by Linda Thompson on September 13th. This interactive event supports the Children's Christmas Shopping Spree, one of the cornerstone charitable activities at the heart of Elksdom. Attending and participating in this event is crucial to help raise funds for the children, making it a vital occasion on our calendar. Linda and her dedicated team have methodically planned an unforgettable day with Fair Food, Midway games, Officer Dunk Tank, Magician, Raffles, Contests and Entertainment for all. Linda is one of our exceptionally talented organizers who has worked tirelessly to create events that rise above bringing joy and friendship to all who participate. So, come on down to the "PHOENIX ELKS FUN FAIR" on September 13th. Let's come together as a GREAT LODGE, have some fun and help make an impact on some deserving kids in our community. I look forward to everyone getting me wet in the dunk tank and if you don't dunk me, I might ask your kids to come to the rescue. LOL!!!

## Esteemed Loyal Knight, Tyler Vanwey

With September upon us hopefully also comes with a little relief from the heat we have been enduring! We all could use a streak of cool days that serves as a reminder of why we all live here. Labor Day picnic is almost here so bring your appetite and pocket-books because we will have some great food prepared by your awesome cooks and an auction with baskets to bid on to help the Veterans Committee!

The Veterans Committee is hard at work getting preparations underway for the Veteran's dinner dance, so save the date Nov. 8th. This dance may look a little different this year as we still are recovering from the flooding incident from June. The trustees have put in a lot of work to try and get our Lodge up and running to full steam again and I trust they will have both ballrooms ready to go by then. We also have been utilizing 3 separate grants given to us by Grand Lodge to directly help and impact Arizona Veterans. It's far too much to type but if you see me around the Lodge, I'd be happy to share.

# Reconstruction Water Damage Project & Kitchen Grease Interceptor Project

## Introduction:

The two referenced projects have individual costs that are in excess of the \$25,000 limit imposed by Statute 16.050(d). The Lodge Trustees managing these projects are required to notify the Lodge Membership in writing that motions will be made at the September 18th 2025 Lodge Meeting to approve funding for each of the referenced projects.

Per Statute 16.050 (section k 1-6) the following are stated by the Board of Trustees:

### Project #1 - Kitchen Grease Interceptor

Funding of the Kitchen Grease Interceptor Project will be accommodated in its entirety through the Lodge Major Capital Improvements Restricted Fund. This Project is necessary to meet Governmental requirements. A Scope Of Work document has been created, contractors have bid on the Project and a contractor has been selected. The anticipated cost will not exceed \$95,000.

No indebtedness of the Lodge or mortgaging of the Lodge Property will be incurred in the payment for the completion of the Kitchen Grease Interceptor Project.

A motion will be made to put this Project funding to a vote by the Members attending the September 18th 2025 Lodge Meeting. Membership approval of the motion by a 2/3 majority will initiate a request to the Grand Lodge for approval. Upon final approval from the Grand Lodge the contracts may be signed by the Board of Trustees and work may commence.

### Project #2 - Water Damage Reconstruction

Funding of the Water Damage Reconstruction Project will be accommodated through several phases beginning with a partial payment of the Lodge insurance claim supplemented with Lodge funds disbursed from the Major Capital Improvement Restricted Fund. Upon completion of the Reconstruction Project the remainder of the insurance claim "hold back" will be paid to the Lodge and returned to the Major Capital Improvement Restricted Fund. Although an initial proposed settlement in the amount of \$85,273 has been made by the Lodge insurer, a Public Adjuster hired by the Lodge (Morgan-Ryan) has submitted a counter claim in the amount of \$213,866 to the insurer. The Reconstruction portion of the total project is scalable and will not exceed the final insurance settlement amount. The final claim award shall not exceed the proposed claim of \$213,866. There is a \$10,000 deductible applicable to this claim and a 5% charge applied to the difference of the original insurance claim and the final claim negotiated by Morgan-Ryan (not to exceed \$6,430).

In the mitigation phase and initial tear-out, the need for uninsured major repairs and replacement in the Heritage Bar area was identified. The cost to effect these and other miscellaneous related uninsured repairs and miscellaneous costs will approximate \$25,000.

The Lodge will be required to provide interim funding of up to \$155,000 through the Lodge Major Capital Improvements Restricted Fund in order to complete the Restoration Project prior to final insurance claim payout. The projected Lodge final cost will not exceed \$41,430 (inclusive of policy deductible, charges due to Morgan-Ryan and uninsured replacements/repairs). A Scope Of Work document has been created, contractors have bid on the Project and a contractor has been selected.

No indebtedness of the Lodge or mortgaging of the Lodge

Property will be incurred in the payment for the completion of the Reconstruction Project.

A motion will be made to put this Project funding to a vote by the Members attending the September 18th 2025 Lodge Meeting. Membership approval of the motion by a 2/3 majority will initiate a request to the Grand Lodge for approval. Upon final approval from the Grand Lodge the contracts may be signed by the Board of Trustees and work may commence.

A special presentation for interested Members will be made on September 15th, 2025 by the Trustees for the Interceptor Project and the Reconstruction Project. The purpose of this presentation is to provide information to the Members concerning the definition and funding of these Projects and to invite questions and suggestions prior to the final presentation at the Lodge Meeting of September 18th, 2025.

## ELK OF THE MONTH

Submitted by Karen Seaman, Exalted Ruler

Meet Kathy Allasia: A True Volunteer Powerhouse

If you haven't yet had the pleasure of meeting Kathy Allasia, you're in for an inspiration.

Originally from San Jose, California, Kathy moved to Phoenix in 1989, bringing with her an impressive background in biotech and computer startup ventures through her work with various venture capital firms.

Since joining Phoenix Elks Lodge #335, Kathy has been a steadfast and generous volunteer, lending her time and

talents across numerous committees—including Americanism, Veterans, Bingo, Kids, and our monthly newspaper, The Tracks.

For years, I've been told that Kathy's résumé is nothing short of inspiring and to no surprise to me, it's true. Her superpower is her organizational talent, which she brings to every role she takes on at the Lodge. As the Secretary of the Veterans Committee, she exemplifies dedication and precision month after month.

Kathy's commitment to Veterans is deeply personal. Her father volunteered to serve in World War II, was severely wounded in the Battle of the Bulge, and passed away in 2013 at the age of 89. This legacy of service clearly resonates in Kathy's own path.

Beyond the Elks, Kathy has devoted her life to supporting disabled children, women's organizations, and friends in need and most often quietly and behind the scenes. Since retiring from American Express in 2015, Kathy has embraced "goditi la vita"—Italian for "enjoy the good life", while still giving back in every way she can. Her golden résumé reflects a lifetime of service and leadership:

- AARP Reading Program Tutor (3rd grade, Madison School District)
- President, Paradise Point Homeowners Association
- President, Phoenix Center for Healing & Recovery
- Chair, San Mateo County Parks & Recreation
- President, Stonegate and Millbrae Homeowners Associations
- Chair, San Mateo County Political Committee
- President, San Francisco Business and Professional Women
- President, San Mateo County American Business Women's Association
- Volunteer, San Mateo County Women's Abuse Shelter & Disabled Children's Center

Kathy is a goal-oriented, resourceful administrative professional with strong organizational, computer, and interpersonal skills. Her ability to engage with individuals and teams, at all levels and enhances the efficiency of people, processes, and infrastructure. She thrives in challenging roles, works seamlessly both independently and in teams, and continues to be a pillar of success within our Lodge.

Kathy, thank you for all that you have done, all that you are doing, and all that you will continue to do. You are a true professional, and a treasured member of Phoenix Elks Lodge #335!

## Pizza, Prizes & Patriotism at the Phoenix VA

Submitted by Karen Seaman, Exalted Ruler

On Sunday, July 27th, Phoenix Elks Lodge #335 proudly delivered pizzas, sodas, and smiles to the Veterans at the Carl T. Hayden Phoenix VA Medical Center. Our Veterans Committee, supported by a Freedom Grant from Grand Lodge, organized an uplifting afternoon of food, fellowship, and bingo.

Veterans enjoyed delicious pizza and sodas while competing for a variety of heartfelt prizes, including hand-made wheelchair blankets, crisp dollar bills, and activity game books. Though the group was small this first visit—due to recent relocations during repairs at the Community Living Center (CLC)—future gatherings are expected to grow in attendance. In fact, there's already a waiting list of residents eager to join in.

The next Pizza & Bingo Day was held at the CLC on August 17th, at 12:30 pm, where this event will continue regularly going forward.

Special thanks go to our dedicated Veterans Committee volunteers:

- Tyler Vanwey, Committee Chairman and Esteemed Loyal Knight
- Marybeth Bloom, retired teacher and scientist
- Lizanne Luke, great-niece of Frank Luke (namesake of Luke Air Force Base)
- Cookie Nanni, VAVS Deputy
- Karen Seaman, Exalted Ruler and VAVS Deputy

We're grateful for our volunteers—and even more so for the Veterans who have kept us safe and secure. We look

forward to returning in August with more pizza, more prizes, and more appreciation!
