Exalted Ruler, Clint Tompkins

Spring is a time of renewal and growth, and with April comes the beginning of a new Lodge year for the officers of Elks Lodge #335. We are excited for a year filled with fellowship, service, and opportunities to strengthen the bonds of our Lodge and our community.

Guided by our motto, "If you see a need, take the lead," we invite every member to step forward—supporting veterans through Welcome Home Kits, mentoring youth, assisting with community programs, or volunteering at Lodge events. Each act of service, no matter the size, has a lasting impact and reflects the true spirit of Elksdom.

I extend my heartfelt thanks to our officers, trustees, volunteers, and members. Your dedication, generosity, and energy make Elks Lodge #335 a place where service, friendship, and community thrive. Let's make this a memorable and rewarding year together.

Esteemed Leading Knight, Tyler Vanwey

Greetings from your Leading Knight!

It's truly an honor to serve the members of Phoenix Lodge No. 335. If you're not familiar with what a Leading Knight does, think of me as part cheerleader, part problem-solver, and occasionally the guy helping make sure the lights are on and the good times keep rolling.

Our Lodge is more than just a building—it's a place where friends gather, stories get a little better every time they're told, and where we come together to support our community. Whether it's volunteering, hosting events, or simply enjoying an evening with fellow Elks, what makes this Lodge special is the people in it.

My goal this year is simple: keep the energy high, encourage everyone to get involved, and help make sure Phoenix Lodge No. 335 continues to be a place where members feel welcome, valued, and proud to belong. If you see me around the Lodge, don't hesitate to say hello, share an idea, or volunteer me for something—I seem to be pretty good at getting volunteered for things!

Here's to a great year of fellowship, laughter, service, and maybe a few tall tales along the way. I'm looking forward to working with all of you to keep our Lodge thriving.

See you around the Lodge!

Esteemed Loyal Knight, Jeff Beasley

I am honored to serve this year as Esteemed Loyal Knight. Our Lodge has supported the community since 1896, and Elks across the country have supported America's servicemen and women through every major conflict and World War.

One area I look forward to focusing on is working with our Veterans Committee and supporting programs that assist those who have served our country. The Elks have long been committed to standing behind our veterans, and I look forward to helping strengthen those efforts.

Our Lodge provides many opportunities for members to gather and serve, including Bingo nights, fellowship events, steak nights at the Lodge, and support for programs such as Honor Flight that recognize the sacrifices of our veterans. I also look forward to working with the Elks National Foundation Committee and the chairs who lead our Lodge committees. Their efforts help support the charitable work and community programs of the Lodge.

The Lodge continues its tradition of civic engagement through events such as Law Enforcement Appreciation and Patriotism Week. As our nation approaches its 250th anniversary, these traditions of service and patriotism remain an important part of our mission.

I am grateful for the opportunity to serve alongside our members. If you are interested in getting involved or volunteering with one of our committees, we encourage you to join us. Together we can continue the Lodge's legacy of service and make a positive impact in our community.

Esteemed Lecturing Knight, Shawna Lang

I had the privilege of serving as Esquire this past year and am truly grateful for the many experiences and friendships that came with it. As I move into my new role as Esteemed Lecturing Knight, I look forward to the year ahead, particularly the opportunity to help develop strong and positive committee communications for our Lodge.

Karen, I sincerely enjoyed serving as your right-hand gal this past year. Thank you for the opportunity and for your support along the way.

I would also like to wish Clint Tompkins every success in the coming year as Exalted Ruler. I look forward to working together for another great year for our Lodge.

Proposed to be revised to read as:

No Lodge property shall be removed from the premises except for property used in connection with Lodge committee activities and with the prior permission of the Board of Trustees.

New House Rule #21

Proposed to read as:

The over service or consumption of alcohol, as defined by local law or ordinance, is strictly prohibited. This rule shall be applicable to all Members, Officers and employees of the Lodge pursuant to Grand Lodge Statute 17.052.

New House Rule #22

Proposed to read as:

Individuals over 21 years of age, issued Identification Cards in accordance with Statutes of the Order, Section 14.140, may obtain a Lodge Key Card. The fee is \$25.00 per card. The Identification and Key Cards will be valid for the same time period as the sponsoring Elks card. Widows and Widowers issued Identification Cards by the Lodge will be provided Key Cards free of charge.

The above was proposed at the February 5 Lodge meeting and will be voted on at the April 16 Lodge meeting.

Homeless Youth Project

Submitted by Jeff Beasley, Esteemed Loyal Knight

The Homeless Youth Empowerment Project continues to move forward through active outreach and relationship building within our community. Current efforts are scheduling meetings with Lodge members, building a committee and focusing on developing strong partnerships, listening to community leaders, and identifying the specific needs of homeless and at-risk youth so that our Lodge can provide meaningful and sustainable support.

We are in the process of building a dedicated committee to help guide the project's growth and ensure long-term success. As part of this initiative, we are connecting with individuals who are passionate about youth outreach and community service to help establish structure, planning, and volunteer coordination.

In the coming weeks, we will begin scheduling monthly care package assembly meetings to give volunteers consistent opportunities to participate and serve. These meetings will allow members to directly support youth in need while also strengthening fellowship and engagement within our Lodge.

Additional updates will be shared as committee members are finalized and community partnerships continue to develop. If you would like to assist and be a part of this, please contact me, Jeff Beasley.

Public Relations

Submitted by Jeff Beasley, Esteemed Loyal Knight

On February 19, the Public Relations Committee represented our Lodge at a major community leadership gathering where we connected with more than 200 community leaders, including approximately 40 school principals, as well as Paradise Valley Schools Superintendent, Dr. Dan Courson. During this event, we discussed Elks initiatives, strengthened relationships with local education leadership, and extended an invitation for Superintendent Dan to attend our upcoming Prime Rib Dinner.

Our Lodge also continues to see strong showing in media coverage, with articles and mentions appearing both statewide and nationally, helping to expand awareness of our programs, community outreach, and the Elks mission.

On February 20, 2026, I will be attended a meeting and stadium tour at Cardinals Stadium alongside community leaders to further build partnerships and visibility for our Lodge within the region.

Drug Awareness Chair Michael Senger attended the February 19 event as well. There was some initial confusion regarding coordination and approach, and we are actively working together to clarify communication moving forward so that our outreach remains unified and effective.

Thank you to everyone who continues supporting Public Relations efforts as we work to strengthen relationships, increase visibility, and advance the mission of the Elks in our community.

Kids Wildlife World Zoo Day

Submitted by Jeff Beasley, Esteemed Loyal Knight

On February 28, 2026, the Elks Kids program brought together 38 Elks Kids, their families and members for a fun-filled day at Wildlife World Zoo.

Elks families and members received discounted admission tickets, while Elks Kids enjoyed free zoo passes, lunch, and event T-shirts. From exploring exhibits to sharing laughs and making memories, it was truly an amazing day for everyone involved.

A heartfelt thank you to all the volunteers and donations who made this special event possible.

Read Across America

Submitted by Jeff Beasley, Esteemed Loyal Knight

As part of the nationwide Read Across America celebration, Stephanie Beasley of Phoenix Elks Lodge #335 visited Desert Shadows Elementary School, a Paradise Valley Unified School District campus in Phoenix, where she read to 28 third-grade students in Miss Wong's class.

Read Across America is a national initiative dedicated to promoting literacy and encouraging children to develop a lifelong love of reading. During the visit, Stephanie shared a story with the students and spoke about the importance of reading, learning, and using imagination.

The students were engaged and enthusiastic throughout the reading, asking thoughtful questions and participating in discussion about the story. Opportunities like this help inspire young readers and reinforce the importance of education and literacy at an early age.

Phoenix Elks Lodge #335 continues to support youth and education programs throughout the community. By participating in Read Across America events, the Lodge strengthens its partnership with local schools while encouraging students to embrace the joy of reading.

The visit was a wonderful experience for both the students and volunteers, and the Phoenix Elks look forward to continuing their commitment to literacy and youth development in the community.

Arizona Elks Social Welfare Committee Holds Winter Meeting

Submitted by Betty Chamberlain

The Arizona Elks Association Social Welfare Committee held its winter meeting Saturday at the Phoenix Elks Lodge #335.

The committee's State Chairman is Gus Noble, PER, from Phoenix Lodge #335. Other members from Lodge #335 who participated include Joan Noble, Carol Brown, Joe Brown, Becky Simons, Betty Chamberlain, Tom Schiavone, Kathy McDonough, and Mengo Darr.

The Social Welfare Committee provides grants to needy groups and organizations throughout the year. In addition, the committee assists Lodges across the state with their annual Children's Christmas programs, including the popular "Shopping Spree" and "Clothe-A-Child" events.

During the meeting, Phoenix Lodge #335 received a grant of \$1,000. The funds were presented to Linda Thompson, coordinator for the Lodge's program.

2nd Annual Elks Car Show Was A Great Success

Submitted by Heather Leal, Tracks Editor

The Elks Lodge recently hosted its 2nd Annual Car Show, welcoming nearly 50 vehicles and presenting 10 plaques for Best in Show. The event drew an excellent turnout from both the community and Lodge members. Even the Phoenix Police Department stopped by after noticing the activity and came by to see the event.

Guests enjoyed hot dogs and bratwurst, a coffee truck, music, and a bouncy house for families. The show featured an impressive range of vehicles, including cars dating back to the 1920s and rare models such as Cobras. The event also provided a great opportunity to showcase the Lodge to potential new members.

Thanks to the support of participants and attendees, the event raised money, which will be donated to Arizona Elks Major Projects.

Arizona Elks Major Projects is the primary statewide charitable program of the Arizona Elks Association. The program raises funds to support two major initiatives that benefit children across the state: the Steele Children's Research Center at the University of Arizona, which conducts pediatric medical research and provides care for thousands of children each year, and the Jack C. Warter, Jr. Elks Youth Camp, a wilderness camp in the Sierra Ancha Mountains that is available free of charge to youth groups throughout Arizona. These projects focus on improving children's health, supporting medical research, and providing outdoor experiences for youth across the state.

While the event was coordinated by Heather Leal, it was truly a team effort made possible by the many volunteers

who contributed their time and support. Special thanks go to the four teenage volunteers, as well as Karen Seaman (Exalted Ruler), Larry and Diane Bodwell, Linda Thompson, Jeff and Stephanie Beasley, Kathy Allasia,

Tom Schiavone, Hope Bennett, Eileen Austin, Sean and Heather Leal, and Sylvia Carruthers.

With perfect weather, great music, and strong community participation, the event was enjoyed by all. Based on this year's interest and attendance, next year's car show may need to move to the larger parking lot to accommodate continued growth.

Elk of the Month

Submitted by Clint Tompkins, Exalted Ruler

Elks Lodge #335 is proud to recognize Richard Carmer as April's Elk of the Month for his heartfelt dedication to our nation's veterans.

Through the Elks' partnership with the Department of Veterans Affairs to help end veteran homelessness, Richard has assembled more than 113 Welcome Home Kits in the last year for veterans moving into stable housing.

Many veterans arrive with very little, and these kits provide essential items such as kitchenware, small furnishings, and cleaning supplies to help

them begin again with dignity.

Richard's compassion and care for over 100 veterans has helped turn empty spaces into homes and given many a fresh start. His kindness and generosity truly embody the Elks' mission of serving those who served our country. Thank you, Richard, for your dedication, generosity, and for making a meaningful difference in the lives of so many veterans.

R.E.D.

Submitted by Linda Thompson

Have you noticed the red shirts our Elks officers and members wear on Fridays? RED stands for “Remember Everyone Deployed.” It is a simple but meaningful way to honor the brave members of our armed forces who are sacrificing for our freedom and safety. Wearing red on Friday is a visible reminder that we support and remember those serving our country. So do not forget to wear your RED and give them a salute.

Here in Phoenix, we are fortunate to have the Military Support Foundation (MSF), a charity dedicated specifically to supporting active duty military members and their families. Each month, MSF sends hundreds of care packages to deployed troops and provides much needed water and snacks to military bases across Arizona. They also host family events during deployments and holidays to help keep military families connected and supported.

Many military families struggle to make their modest pay stretch far enough to cover everyday needs. To help ease that burden, MSF operates a weekly food pantry where families can receive a full cart of groceries, including produce, meats, dairy, frozen meals, dry goods, and bakery items, for a \$25 donation.

This outstanding charity is funded through donations and generous support from local food suppliers. Contributions to MSF may also qualify for the Arizona Charitable Tax Credit of up to \$987 for joint filers. Please continue supporting the many wonderful Elks charities that serve our community, including our Veterans Committee projects such as Honor Flights. If you are considering where to direct your Arizona charitable tax credit, please also consider a donation to the Military Support Foundation to help our active military members and their families.

Our Antlers Help Make Our Community Park Cleaner

Submitted by Eileen Austin, Antlers Chairman

On the afternoon of February 28, our Antlers members spent time giving back to the community by helping clean up Venturoso Park, located across the street from the Lodge. Working together, they collected several bags of trash and helped make the park a cleaner and more enjoyable place for families and neighbors to relax and play.

The Antlers is the Elks’ youth organization, providing young people ages 12 to 20 with opportunities to participate in community service, develop leadership skills, and learn the values of patriotism, good citizenship, and helping those in need. Through projects like this park

cleanup, our Antlers demonstrate the spirit of service that the Elks proudly promote. The day was especially pleasant, with warm February weather making the work even more enjoyable. After their efforts, the group celebrated a job well done with cold drinks and snacks at Taco Bell.

We are proud of our Antlers for their continued dedication to serving our community and representing the principles of Elksdom.
