"July in Phoenix may bring the heat, but it's the friendships and fellowship at our Lodge that make summer memorable."

As we welcome July, I want to thank everyone who helped make June such a special month at Phoenix Elks Lodge #335. We began the month by hosting the AEA Presidential Organizational Meeting on June 6th, welcoming members from Lodges across our district. It was a great opportunity to connect, share ideas, and showcase the hospitality that makes our Lodge so special.

We also held a meaningful Flag Day Ceremony featuring a wonderful speaker from Luke Air Force Base. Thank you to our Chaplain and Veterans Committee for helping organize such a memorable event.

Our Father's Day celebration was another great gathering, filled with fellowship, laughs, cigars for the fathers, and bubble gum cigars that added some fun to the day. As we move into July, we look forward to our 4th of July celebration and all the events planned throughout the month. While I won't be able to attend the holiday celebration because I'll be in Chicago attending Grand Lodge and proudly representing Phoenix Elks Lodge #335, I look forward to seeing many of you at the other events our officers have planned.

Thank you for everything you do to make our Lodge welcoming, active, and strong. As we continue through the summer, remember our motto: "If you see a need, take the lead." Enjoy July, stay cool, and I hope to see you around the Lodge soon.

Esteemed Leading Knight, Tyler Vanwey

July is here, which means three things: it's hot, it's really hot, and Phoenix is reminding us why we have air conditioning. Fortunately, we have something even better to look forward to—our annual July 4th Picnic!

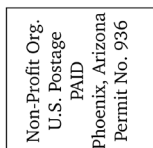

As Elks, we're proud to celebrate our nation's independence, enjoy the company of good friends, and consume enough picnic food to make us question our life choices by the end of the day. It's a tradition as American as fireworks, hot dogs, and someone insisting they can handle the heat "because it's a dry heat."

Our July 4th Picnic is a chance to relax, laugh, and spend time with our Lodge family. Whether you're there for the burgers, the fellowship, the games, or just to see who forgot sunscreen this year, there's something for everyone. A special thank you goes out to our volunteers. These dedicated members work tirelessly behind the scenes to make sure the food is hot, the drinks are cold, and nobody accidentally grills a spatula. Their efforts are what make events like this a success.

As we celebrate our nation's birthday, let's also celebrate the friendships and camaraderie that make Phoenix Elks Lodge #335 such a great place to be. New members, longtime members, and guests alike are all welcome to join the fun.

So put on your red, white, and blue, grab your appetite, and come enjoy a great day with your fellow Elks. Together we'll celebrate freedom, fellowship, and the fact that nobody has yet suggested holding the picnic in August. Have a safe and happy Fourth of July, and I'll see you at the picnic!

Esteemed Loyal Knight, Jeff Beasley

As we celebrate Independence Day and the 250th year of our nation's history, we are reminded of the freedoms and opportunities made possible by generations of Americans before us. Since our founding in 1896, we have proudly served our community, supported veterans, invested in youth, and upheld the values of patriotism, charity, justice, and brotherly love.

This past month, we were honored to host an Honor Flight luncheon for veterans of World War II, the Korean War, and the Vietnam War. Thanks to our Lodge volunteers, we welcomed these American heroes and the volunteers who make Honor Flight possible. We also held a wonderful Flag Day Ceremony featuring special guest speaker Lt. Colonel Shayne R. Carroll and family, whose remarks reminded us of the importance of honoring our flag and those who serve under it.

Our Veterans Committee continues to make a meaningful impact through Honor Flight, Flag Day, flag placement at the National Memorial Cemetery, bingo and activities at the VA Community Living Center, and Nation of Patriots events. This month, we are launching our Giving Sundays program. On the last Sunday of each month, we will collect needed supplies for homeless youth through our partnership with Homeless Youth Connection.

We have also formed a new Patriotism Week Committee to work with our Law & Order Night and Firefighter Appreciation Committees in expanding our efforts to honor those who serve our nation and community. I am grateful for the leadership already in place and pleased to welcome chair Rick Harrach, along with Loyal Knight chair leaders Randy Sterling, Bill Darr, Al Kayal, Nicole Beach, Kathy Jones, Diane Bodwell and Lizanne Luke.

Finally, I look forward to seeing everyone at our July 4th Picnic. The Picnic Committee has once again planned what is sure to be a memorable event for our members, families, and guests.

Thank you for your continued service and dedication to our Lodge, our veterans, our youth, and our community. Have a safe and happy Fourth of July!

Esteemed Lecturing Knight, Shawna Lang

Do you ever feel unheard or left out? Do you have ideas you wish could be shared? Do you want to make a difference? I know the perfect place for all of that—our Lodge Meetings! Lodge Meetings are held at least once a month, and most months we meet twice. Meetings begin at 7:00 p.m. and are open to all card-carrying members. We currently have 1,123 members. On average, aside from the Lodge Officers, only about 10 members attend our meetings. Those few members help make decisions that affect the entire Lodge. The truth is, our Lodge Meetings are actually fun! We have two different money raffles, and after the opening ceremonies, the atmosphere is relaxed and welcoming. There are plenty of smiles, laughter, and good fellowship. Most importantly, Lodge Meetings give you an opportunity to be involved. If you have concerns, ideas, questions, or simply want to know what's happening at the Lodge, this is the place to be. It's your chance to have your voice heard and to feel like an active part of something meaningful. I encourage you to come to a Lodge Meeting and see for yourself. Your ideas matter, your opinions count, and your participation helps make our Lodge stronger.

Cleaning & Organization Day

Submitted by Jeff Beasley, Esteemed Loyal Knight

Veterans Committee Chair, Nicole Beach, organized a spring cleaning and organization day at the Lodge. Members came together to clean, organize, and help improve the Lodge through teamwork and volunteerism.

Thank you to all of the members who showed up and donated their time to support the Lodge and our mission of service to veterans and the community. Your hard work and dedication are greatly appreciated.

What is an Elk?

Submitted by Brianna Vanwey, House Committee

At the heart of our Lodge is a simple but powerful philosophy that reflects the true spirit of Elksdom: we are a community built on mutual respect, kindness, and genuine connection. As Brother and Sister Elks from all walks of life, we recognize that each member brings a unique story and a shared dedication to our core virtues of Charity, Justice, Brotherly Love, and Fidelity.

Treating each other with respect isn't just a rule in our social quarters—it is our culture. Whether we are volunteering for a community project, sharing a meal, or welcoming a new face to the Lodge, we commit to listening with an open mind and lifting each other up. By choosing kindness in all our interactions, we ensure our Lodge remains a safe, relaxed, and welcoming home away from home where lasting friendships thrive and our community impact grows.

The Declaration That Changed the World

Submitted by Jeff Beasley, Esteemed Loyal Knight

As we prepare to celebrate Independence Day and the 250th anniversary of the birth of the United States of America, it is important to reflect on the document that forever changed history: the Declaration of Independence.

On July 4, 1776, fifty-six courageous men signed a declaration that would alter the course of the world. These men were not signing a simple letter of protest. They were risking everything — their fortunes, their reputations, their families, and even their lives — in pursuit of liberty and self-government.

At the time, the American colonies were under British rule. Colonists had grown increasingly frustrated with heavy taxation, lack of representation, restrictions on trade, and the growing control of King George III over their daily lives. The phrase “No taxation without representation” became a rallying cry throughout the colonies as Americans demanded the same freedoms and rights they believed were guaranteed to every person.

After years of growing tensions and the outbreak of fighting at Lexington and Concord in 1775, the Continental Congress gathered in Philadelphia to determine the future of the colonies. A committee led by Thomas Jefferson, alongside John Adams, Benjamin Franklin, Roger Sherman, and Robert R. Livingston, drafted what would become one of the most important documents ever written.

The Declaration boldly proclaimed that all men are created equal and are endowed with certain unalienable rights, including life, liberty, and the pursuit of happiness. It established the belief that governments derive their power from the consent of the governed and that when a government becomes destructive to those rights, the people have the right to change it.

Those ideas were revolutionary. The Declaration of Independence was more than the

birth certificate of a new nation. It became a symbol of freedom and inspired movements for liberty and democracy around the world for generations to come.

The road ahead for America was not easy. The Revolutionary War would continue for years, and countless patriots would sacrifice their lives for the freedoms we enjoy today. Yet through perseverance, faith, and unity, the United States emerged as a beacon of hope and opportunity unlike anything the world had ever seen.

As Elks, we understand the importance of patriotism, service, and remembering those who came before us. Our nation's story is one of resilience, sacrifice, and ordinary citizens stepping forward to do extraordinary things for their communities and country.

This July Fourth, as fireworks light the sky and families gather together, let us remember the courage of those fifty-six signers and the generations of Americans who defended the freedoms established nearly 250 years ago. May we continue to honor their legacy through service, unity, and love of country.

God Bless America.

Lodge Activities

Submitted by Jeff Beasley, Esteemed Loyal Knight

We encourage everyone to join in, have fun, and experience the camaraderie that makes Phoenix Elks #335 such a special place.

Memorial Day

Submitted by Jeff Beasley, Esteemed Loyal Knight

May 24, 2026

More than 270 members, bona fide guests, and visiting Elks gathered at the Lodge for this year's Memorial Day Picnic in a tremendous show of camaraderie, fellowship, and patriotism.

The event welcomed members ranging from newly initiated Elks to those celebrating more than 25 years of membership, highlighting the strength and unity of our Lodge family. Officers and volunteers worked together throughout the day to help make the picnic a tremendous success.

A special thank you goes to Kathy Jones and the entire picnic committee for organizing an outstanding event enjoyed by all in attendance. We were also honored to welcome visiting members from other Lodges, including Esteemed Leading Knight Jody Brandt and his wife Meg from Yuma who are fresh off their successful participation at State Ritual Competition who we had the opportunity to wish them success representing our great state of Arizona in Chicago at nationals. They also thanked the officers for contributing to their travel fund.

The day was a wonderful reminder of what makes Phoenix Elks Lodge #335 special with members coming together in service, friendship, and community spirit.

Day of Remembrance

Submitted by Jeff Beasley, Esteemed Loyal Knight

More than 22 members of Phoenix Elks Lodge #335 proudly participated in Memorial Day activities at Arizona

National Cemetery, demonstrating the Lodge's continued commitment to honoring veterans, remembering our fallen heroes, and serving the community.

Led by Veterans Committee Chair Nicole Beach, Phoenix Elks volunteers assisted throughout the weekend, including placing and later retrieving thousands of American flags honoring our nation's heroes. Members also donated and distributed 5,000 bottles of water to attendees during the Memorial Day ceremony, generously provided by Phoenix Elks Lodge #335.

Exalted Ruler Clint Tompkins had the honor of laying a wreath, donated by Phoenix Elks Lodge #335, in remembrance of those who made the ultimate sacrifice in service to our country.

“Today we stood together not just to remember our veterans, but to honor the sacrifice behind every flag placed and every name remembered,” said ER Clint Tompkins.

The ceremony was well attended by Elks and community members from across Arizona. Fellow Elk and Mesa-Buckhorn Lodge #2656 PER Debbie Melton served as the keynote speaker, sharing reflections from her more than 20 years of service with the United States Air Force and speaking about the true meaning and importance of Memorial Day.

Arizona Elks State President Frank Buso was also recognized on stage as a state dignitary during the ceremony. President Buso later shared that he was especially moved during the playing of Taps, a solemn reminder of the gratitude we owe as a nation to those who sacrificed in service to our country.

Phoenix Elks PER Karen Seaman, who also serves as the VAVS representative for Phoenix, was instrumental in working with various groups to help coordinate many of the efforts for the event. Many other Phoenix Elks also volunteered behind the scenes, contributing their time and support in the true spirit of Elksdom.

Phoenix Elks Lodge #335 is honored to continue its dedication to serving veterans, supporting military families, and ensuring that the sacrifices of our nation's heroes are never forgotten.

Veterans Visit

Submitted by Karen Seaman, PER

Often, we gather at the Community Living Center to play Bingo with our Veterans while serving pizza, drinks, and desserts. Usually, the room is filled with laughter, teasing over Bingo cards, and the familiar faces we have come to love through the years.

But yesterday, May 17, 2026, the room felt different. Three of our treasured regular players were missing. One of them was our beloved "Queen of Bingo," Marie, who over the years completely stole the hearts of our volunteers: Cookie Nanni, Becky Simons, Lizanne Luke, MaryBeth Bloom, Darlene Shepphard, and me, Karen Seaman. Marie was a strong and independent Veteran who never let anyone fix her car, she did it herself. She was spirited, funny, determined, and deeply loved. She will be greatly missed by all of us.

Then there was Edward, a proud Army Veteran and true fighting soldier, who passed the day after Marie. The following day, Harold, a Vietnam Veteran like Edward, also took his final flight.

It was a very difficult week for their families, the doctors and nurses at the CLC, and the Hospice Volunteers, including myself, who became lovingly invested in the lives of these Veterans. We were also informed that another Veteran had quietly passed just one week earlier, much to the surprise of the staff.

Moments like these remind us that every time we walk into that Bingo room, we should treasure it. We hug them, laugh with them, joke with them, and love them. Just like with our own families and friends, we never know if someone will still be there the next time we visit.

Love your family.
Love your friends.

And never forget the Veterans who fought for your

freedom and signed a blank check payable up to and including their lives.

Get involved. Join us for Bingo with our Veterans. Come thank the people who stood on the front lines for all of us. That is what we do as Elks. More importantly, that is what we do as human beings.

Jump in, it is meaningful, rewarding, and yes it is a whole lot of fun.

We would love to include you, and they would love to meet you.

Homeless Youth

Submitted by Jeff Beasley, Esteemed Loyal Knight

The Phoenix Elks Lodge #335 Homeless Youth Empowerment Committee recently held its organizational kickoff meeting, bringing together dedicated volunteers who share a common goal: helping homeless and at-risk youth throughout our community.

Funded through an Impact Grant providing \$10,000 annually for the next three years, the committee is developing programs and resources designed to provide meaningful support to youth facing housing instability, financial hardship, and other life challenges. Grant funds are restricted and must be used specifically for approved homeless youth initiatives and services.

During the meeting, volunteers discussed plans for resource collection, community partnerships, volunteer opportunities, and youth-focused events. The committee established an ambitious goal of supporting at least 300 homeless and at-risk youth during the coming year through direct assistance, educational resources, transportation support, and community outreach.

A cornerstone of the program will be the distribution of monthly supplies to homeless and at-risk youth. Through partnerships with schools, community organizations, and youth service agencies, the committee plans to provide essential items such as backpacks, hygiene kits, socks, underwear, school supplies, snacks, water flavor packets, resource guides, scholarship information, and other necessities that can help young people meet daily challenges and focus on their education and future success.

To support this effort, the committee is developing a centralized resource and donation program at the Lodge. Supplies will be collected, organized, and inventoried to ensure resources are readily available when requests arise from schools, partner organizations, and community agencies. Donation collection boxes and volunteer resource storage areas are also being planned.

Committee members discussed developing relationships with local schools, Homeless Youth Connection, foster care organizations, businesses, and government agencies to better identify needs and connect youth with available resources. Additional efforts will focus on securing transportation assistance, including bus passes and food gift cards, helping remove barriers that many homeless youth face each day.

Three major event initiatives were also identified during the planning session:

- Homeless Youth Backpack & Donation Drive
- Homeless Youth Recognition Ceremony during Youth Week
- Spring Job, College & Life Skills Fair

These programs are designed not only to provide immediate assistance but also to recognize achievements, encourage personal growth, and empower young people as they work toward brighter futures.

The committee is also planning regular volunteer opportunities, with the first Volunteer Day scheduled for the last Sunday of June at the Lodge. Volunteers will

assist with community partnerships, gathering donations, organizing supplies, preparing resources, and building the foundation for future outreach efforts. Monthly volunteer meetings will be held on the last Sunday of each month, while committee meetings will take place on the first Tuesday of each month at 1:00 PM at the Lodge.

Phoenix Elks Lodge #335 has long been committed to serving youth, veterans, and families in need. The Homeless Youth Empowerment Committee represents another opportunity for members to live out the Elks motto, "Elks Care, Elks Share," by providing hope, resources, and encouragement to some of the most vulnerable young people in our community.

The committee welcomes volunteers, community partners, and supporters who wish to help make a difference. Together, we can create opportunities, inspire hope, and positively impact the lives of hundreds of youth throughout the Valley.

Family Fun Nights!

Submitted by Judy Peters, Elks Kids Committee Chair

The Elks Kids Committee hosted a delightful Fun Family Challenge Night on May 16, 2026, in the Vista Room. The evening was a hit, with about 15 kids and their families joining together for a memorable night of entertainment, laughter, and camaraderie.

Attendees enjoyed a delicious spread featuring pizza, a variety of snacks, and ice cream for dessert. The event was packed with exciting games, including Granny Pants, the Sack Race, and the Minute to Win It Oreo Cookie Race.

Congratulations to Belle and Jayden, who won the Sack Race; Antone Jones and Makenna Guthier, who won the Granny Pants Challenge; and Elodie Kerr, who mastered the Minute to Win It Oreo Cookie Race.

The children had a blast and expressed their enthusiasm for more game nights like this in the future. All kids ages 1 to 17 are welcome to join Elks Kids Committee events. Meals are provided free for children, while adults are welcome to contribute through donations.

Don't miss the upcoming Luau Out Party on June 27 from 6:00 PM to 9:00 PM, featuring a DJ, engaging games, and a delectable menu created by Cindy.

Elk of the Month

Submitted by Clint Tompkins, Exalted Ruler

This month, we are proud to recognize Ron Watkins as our Elk of the Month.

If you spend any time around the Lodge, chances are you've seen Ron lending a hand, offering his time,

or finding another way to help. Whether it's stepping in where needed, donating services, or quietly supporting projects behind the scenes, Ron consistently shows what it means to put the Lodge first.

One recent example of his dedication has been taking over our Sunday Smashburgers and helping keep that tradition going for members and guests to enjoy. His willingness to step up and make things happen does not go unnoticed.

Ron, thank you for your continued generosity, your service, and for always looking for ways to support the Lodge. We truly appreciate all that you do.

Congratulations, Ron, and thank you for being such an outstanding Elk!

Calling all Bakers!
Submitted by Becky Simons, Lodge Esquire

I would like to make a list of bakers who are willing to help out with some of the fundraising parties and other ceremonies we have during the year. I know for a fact we have some great dessert makers but it falls to the same people each time and we need more help. So if you enjoy baking please let me know if you are interested in sharing your talents.

As always if you see me come say hi.
